You should read the documents carefully so that you understand what you are buying, and then keep them safe for future reference.

Ethical 33-Day Notice Account

Balances from £250-£24,999	0.56% Gross / AER
-------------------------------	-------------------

Balances from £25,000-£500,000	0.71% Gross / AER
-----------------------------------	-------------------

- 3.2 Interest rates are managed and subject to change with 30 days advance written notice from Charity Bank in accordance with our Terms for personal savers.
- 3.3 Interest is calculated daily and added to your account quarterly in March, June, September and December and on closure of your account.

- 3.4 UK residents: From 6 April 2016 the Government introduced a Personal Savings Allowance (PSA), which enables individuals to earn interest on their savings tax free, up to a certain allowance. The allowance will depend on the individual's income: basic rate tax payers will be able earn up to £1,000 in savings interest tax free and higher rate tax payers will be able to earn £500 tax free. Additional rate tax payers will not have a Personal Savings Allowance.

As a result of this change, from 6 April 2016 Charity Bank pays all savings interest gross – this means that there will be no tax deducted.

This means that individuals who exceed their Personal Savings Allowance, or who do not have one, will owe tax on some, or all, of their savings interest. For more information please see the latest Government information at <https://www.gov.uk/government/publications/personal-savings-allowance-factsheet>, or contact HMRC at www.gov.uk/contact-hmrc or on 0300 200 3310

Notice Periods

- 4.1 You may access your savings (after the 33 day notice period) by electronic transfer or post to your Nominated Account or transfer to another Charity Bank account held by you.
- 4.2 In exceptional circumstances, the bank's executive management may, at its discretion, grant a request for early withdrawal of funds. If the request is granted an Early Withdrawal Fee may be levied. The **Early Withdrawal Fee** is an amount equal to interest payable by the Bank during the Notice Period for an account, calculated using the interest rate on the account immediately prior to the date of the request to withdraw funds. It will be deducted from the interest earned but not credited to the account. If you close your account and the amount of interest earned does not cover the Early Withdrawal Fee, the Early Withdrawal Fee (or part of it) will be taken from your account funds.

Early Withdrawal Fee:

(Amount being withdrawn x Interest rate)
x notice period / days in year

Withdrawal Arrangements

- 5.1 A letter signed by the account holder giving notice is required for withdrawal and closure.
- 5.2 Withdrawals are unlimited and without loss of interest subject to full notice being given.
