Ethical 33-Day Notice Cash ISA Additional Terms

This document provides Additional Terms of an Ethical 33-Day Notice Cash ISA. Together with the application form and the Terms for personal savers, this forms the agreement between you, the account holder and Charity Bank. You should read the documents carefully so that you understand what you are buying, and then keep them safe for future reference.

Availability

- 1.1 This ISA account is available to residents of the United Kingdom aged 16 years or over.
- 1.2 An ISA account can only be held in the name of an individual; joint accounts are not allowed. Clause 3 of our Terms for personal savers do not apply to this account.
- 1.3 You can put money into one Cash ISA each tax year. The tax year runs from 6 April to 5 April. Your ISA won't close when the tax year finishes. You'll keep your savings on a tax-free basis for as long as you keep your money in your ISA accounts.

Payments into your account

- 2.1 The initial deposit(s) of a minimum of £250, into the account, must be made by cheque drawn or by electronic payment from the nominated account of the applicant, or by ISA transfers that we have accepted (online applications only). If this is not possible, please contact us by phone: 01732 441944 or by email: enquiries@charitybank.org for alternative options.
- 2.2 Once we have confirmed with you that your account has been opened and we have requested for you to fund it, you will have a maximum funding period of 14 calendar days to fund your account with either one or multiple deposits from your nominated account either electronically or by cheque up to the annual ISA allowance of £20,000.

If transferring an ISA from another ISA provider, please note that this will occur within 15 days for cash ISAs and up to 30 days for stocks and shares ISAs.

- 2.3 Assuming the account has been funded in the initial 14 calendar day funding period, or on completion of successful ISA transfer(s), and remains open, you can make additional credits to your account from your nominated account either electronically or by cheque up to the annual ISA allowance of £20,000 or apply to transfer further ISAs from other providers unless the account is no longer available.
- 2.4 This ISA is not flexible and any deposit of new ISA funds would count towards your maximum subscription limit for the relevant tax year even if you subsequently make a withdrawal.
- 2.5 The maximum account balance is £500,000 (this includes previous years ISA subscriptions) - if you are wishing to place deposits greater than £500,000, please contact our Savings team by phone: 01732 441944 or by email: enquiries@charitybank.org.
- 2.6 If your deposits into your ISA exceed the amount prescribed in the ISA regulations the excess will be returned to you.

Interest

- 3.1 An ISA is a tax-advantaged savings account which pays interest gross with no tax deducted and does not count towards your Personal Savings Allowance.
- 3.2 The annual interest rate is 1.75% Gross / AER.
- 3.3 Interest rates are managed and subject to change with written notice 30 days in advance from Charity Bank.
- 3.4 Interest is calculated daily and interest paid annually at the 31st December or at the date of transfer to a new ISA provider, or on closure, subject to any Early Withdrawal Fee (4.3).

Withdrawal arrangements

- 4.1 A signed letter giving 33-days' notice is required for withdrawals, transfers-out and closures.
- 4.2 After serving the 33-days' notice you can take your money out of your account without losing any tax benefits. If the notice expires on a non-working day, withdrawals will be actioned on the next working day.
- 4.3 In exceptional circumstances, the bank's executive management may, at its discretion, grant a request for early withdrawal of funds. If the request is granted an Early Withdrawal Fee may be levied. The Early Withdrawal Fee is an amount equal to interest payable by the Bank during the Notice Period for an account, calculated using the interest rate on the

account immediately prior to the date of the request to withdraw funds. It will be deducted from the interest accrued. If you close your account and the amount of interest earned in your account does not cover the Early Withdrawal Fee, the fee (or part of it) will be taken from your account funds.

Early withdrawal fee:

$(\text{Amount being withdrawn} \times \text{Interest rate}) \times \text{notice period} / \text{days in year}$

- 4.4 You will not be able to re-deposit withdrawn funds if the amount of that deposit would take you above the maximum annual subscription or if the product has been withdrawn and no longer accepts new deposits into the account.
- 4.5 Please note following closure of an ISA account where funds have been not been transferred to another ISA the funds will no longer be eligible to receive the tax benefits of an ISA.

Security:

- 5.1 You must not use Your Cash ISA as security for a loan (Cash ISA savings will be, and must remain in, the beneficial ownership of the saver).
