UK residents: In 6 April 2016 the Government introduced a Personal Savings Allowance (PSA), which enables individuals to earn interest on their savings tax free, up to a certain allowance. The allowance will depend on the individual's income: basic rate tax payers will be able to earn up to $£ 1,000$ in savings interest tax free and higher rate tax payers will be able to earn $£ 500$ tax free. Additional rate tax payers will not have a Personal Savings Allowance.

Charity Bank pays all savings interest gross - this means that there will be no tax deducted.
Individuals who exceed their Personal Savings Allowance, or who do not have one, will owe tax on some, or all, of their savings interest. For more information please see the latest Government information at https://www.gov.uk/ government/publications/personal-savings-allowance-factsheet, or contact HMRC at www.gov.uk/contact-hmrc or on 03002003310 . UK tax legislation, which can be subject to change, may impact individual circumstances.

AER. This stands for Annual Equivalent Rate and illustrates the annual rate of return assuming interest is paid and compounded once each year. We quote the AER on all of our accounts so that you can compare our savings accounts with those of other banks.

GROSS. The interest rate without tax deducted.
